

ADDENDUM TO THE OBITUARY FOR DR GRETN WESTE

The two photographs of Dr Weste appearing in the obituary, with one also appearing on the front cover of issue 25 (3), were taken by Genevieve Gates.

The image (top left of page 90 and also on the front cover) was taken on the Duckhole Lake track on 1 March 2005. The other image was taken at 'Skemps', a property owned by the Launceston Field Naturalists Club, at which there was a fungi weekend on 14 May 2004.

Please note that the copyright for these images remains with Genevieve Gates.
